

Injury Accidents on Local Streets

Injury severity	Tree-lined local	Other local street	Total for local streets	All other streets
Fatal	0	1	1	7
Incapacitating	5	9	14	30
Non-incapacitating	22	71	93	170
Sub-total	27	81	108	207

NOTE: These data are from the MDT accident database, which has information on the 5,246 reported accidents in Helena between January 1, 2011 and December 31, 2015. The plots show the 108 injury accidents that occurred on local roads; a total of 315 injury accidents occurred on all roads in Helena. Local roads do not include collectors, arterials or the Interstate. Accidents at the intersection of local roads and busier streets are shown if the responding officer coded the accident as happening on the local street. Accidents on streets lined with boulevard trees are circled in red.

Types of Injury Accident
